Dear Families,

May 1, 2026

Grace and peace to you.

I write to you with gratitude for the trust you place in our school and parish community. It is a privilege to walk alongside your children in their growth—academically, spiritually, and personally. Your partnership in this shared mission is a gift we do not take lightly.

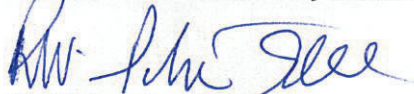

After careful discernment and consultation, we will be implementing a \$500 increase in tuition for the upcoming school year. I am mindful that news like this can be difficult, and I want to acknowledge the impact this may have on your family. Decisions of this nature are never made lightly, and we approach them with both responsibility and care.

This adjustment reflects the rising costs associated with maintaining the quality of education and formation that defines our school. It allows us to continue supporting our dedicated faculty and staff, enhancing academic programs, and sustaining a safe and nurturing environment where our students can flourish.

At the same time, our commitment to you remains steadfast. We are deeply aware that each family's circumstances are unique, and we will continue to offer support where possible. If this change presents a hardship, I encourage you to reach out in confidence so that we may walk together toward a solution. Financial aid and tuition assistance remain available, and we are committed to working with families to help make a Catholic education accessible.

Please know that you and your children remain in my prayers. Thank you for your continued faith in our mission and for the many ways you contribute to the life of our school community.

With gratitude and every blessing,

Fr. Peter Eke, Pastor
